## A BILL

To authorize the Secretary of the Interior to construct and operate the Walter B. Jones Center for the Sounds at the Pocosin Lakes National Wildlife Refuge.

1       *Be it enacted by the Senate and House of Representa-*  
2       *tives of the United States of America in Congress assembled,*

3       **SECTION 1. FINDINGS.**

4       The Congress finds the following:

5               (1) The Pocosin Lakes National Wildlife Ref-  
6       uge, located in northeastern North Carolina, pro-  
7       vides unique opportunities for observing and inter-

1       preting the biological richness of the region's estu-  
2       aries and wetlands.

3           (2) Although there are 10 national wildlife ref-  
4       uges in eastern North Carolina, not one has an edu-  
5       cational or interpretative center for visitors.

6           (3) The State of North Carolina, Tyrrell Coun-  
7       ty, the town of Columbia, the Conservation Fund,  
8       and private citizens have proposed to enter into a  
9       partnership with the United States Fish and Wildlife  
10      Service to establish an educational and interpretative  
11      facility to be known as the Center for the Sounds.

12          (4) Establishment of the Center for the Sounds  
13      would bestow economic benefits upon Tyrrell County  
14      and the town of Columbia.

15          (5) The Federal Government has designated the  
16      Albemarle-Pamlico estuary system of northeastern  
17      North Carolina as an estuary of national concern.

18   **SEC. 2. FURTHER FINDINGS.**

19      The Congress further finds and declares the follow-  
20   ing:

21          (1) Throughout his congressional career, the  
22      Honorable Walter B. Jones was a strong supporter  
23      of the National Wildlife Refuge System.

24          (2) During his years of service in the House of  
25      Representatives, Walter B. Jones supported the es-

1       tablishment and expansion of National Wildlife Ref-  
2       uges in eastern North Carolina; these include 6 new  
3       National Wildlife Refuges established in his district,  
4       including the Alligator River National Wildlife Ref-  
5       uge and the Pocosin Lakes National Wildlife Refuge,  
6       which are respectively the third largest and fifth  
7       largest National Wildlife Refuges east of the Mis-  
8       sissippi River.

9               (3) Walter B. Jones helped increase refuge  
10       acreage in his district by over 303,000 acres, thus  
11       ensuring the protection of these lands for wildlife  
12       habitat and public recreation.

13              (4) Walter B. Jones' support for reintroducing  
14       endangered red wolves into the wild at Alligator  
15       River National Wildlife Refuge was a major factor  
16       in securing public acceptance of, and support for,  
17       this first successful effort to reintroduce endangered  
18       predators into formerly occupied habitat.

19              (5) Walter B. Jones devoted much of his con-  
20       gressional career, including his years as Chairman of  
21       the Merchant Marine and Fisheries Committee, to  
22       the conservation of fish and wildlife, for the benefit  
23       of the Nation and the people of North Carolina.

24              (6) Walter B. Jones should most appropriately  
25       be recognized for his work on behalf of fish and

1 wildlife conservation by having the Center for the  
2 Sounds at the Pocosin Lakes National Wildlife Ref-  
3 uge System named in his honor.
